Who Can Attend: Everyone is welcome!

You do not need to own Sirius to attend a Sirius Seminar. After attending the seminar, chances are you will be purchasing the software because the exciting features of Sirius are just irresistible!

We will focus on particular areas that you would like to explore in more detail. Sirius has an enormous number of elegant and powerful features for almost any area of as-

trology, whether your interest is consulting with basic modern methods, classical, Vedic, or the most modern cutting edge techniques, etc.

Early Birds with Fei Cochrane (President of Cosmic Patterns):

Come to the seminar with your laptop on Saturday and Sunday at 8 AM to spend special time with Fei exploring your program before the actual seminar starts. Fei will also be available for one hour after the seminar to spend more time exploring features that are especially important to you.
